

And that I
won't stop until
the Hierophant
itself is dead.

Fall.. this
wasn't your...
your first hunt,
was it?

NO!

**Atlas Headquarters

Do you
have anything
to say to our
viewers?

Jeez dude.
Thanks.

Oh, don't get me
wrong, me being there
wouldn't make us much
less likely to be killed.

The thing
is goddamn
scary.

...You seem like you're
set on this.

...and breaking
its shell caused the body
to evaporate?

Oh. Huh.
I thought silver
was only for, like,
werewolves.

THE SWORD IN THE ANVIL

Okay good,
because—

second.

Sounds like it was a disembodied spirit before the kid bound it. Hmm.

Did silver not work?

Silver?

Just that
I'm gonna be out
here hunting.

You shouldn't have
had to clean up my
mess today.

...Great.

Well... yeah.
Silver weapons should
disrupt the regeneration
of most evil spirits,
especially bound ones.

Look, if you
can even *Find* the
Hierophant, you're ...
probably going
to die.

...Eh, wasn't
your fault the
kid was out of
his mind.

No, but I knew
something was staking
Titan's Folly and I just...

I keep thinking about
if Daniel had been just a
little more unhinged... if he
didn't put in the effort to
keep his victims alive.

But I don't want
you to become just
another person I could
have tried to help, but
chose to ignore.

Besides...

This could
have ended
so badly

But it
didn't.

That
doesn't make
it okay.
